

Year 1 Parents' Meeting

Reading

Reading

- Identify which words appear again and again.
- Recognise and join in with predictable phrases.
- Relate reading to own experiences.
- Re-read if reading does not make sense.
- Re-tell with considerable accuracy.
- Discuss significance of title and events.
- Make predictions on basis of what has been read.
- Make inferences on basis of what is being said and done.
- Read aloud with pace and expression, i.e. pause at full stop; raise voice for question.
- Recognise:
 - capital letters
 - full stops
 - question marks
 - exclamation marks
- Know why the writer has used the above punctuation in a text.
- Know difference between fiction and non-fiction texts.

Comprehension

Expectations

- Children should be reading at least 3 times a week.
- School books are to imbed phonics.
- Books that interest your child are encouraged as well.
- Write any reading you do in the yellow book.

Reading

What does the expected level of reading look like in year one?

Down at the Farm

- 12 A hen and her chicks peck at the seeds in the barn.
- 23 Six goats and ten sheep run up and down the yard.
- 33 You might hear a moo if you go near the pen.
- 39 It is Bess the cow!
- 49 Will you see the big pig in the mud bath?

Writing

Writing

Independently, I can...

- Leave spaces between words.
- Join words and clauses using **and**.
- Begin to punctuate using a capital letter, full stop, question mark and exclamation mark.
- I can use a capital letter for names of peoples, places, days of the week and **I**
- I can use my learned phonics in my spellings
- I can spell common exception words and days of the week
- I can add prefixes and suffixes e.g. **-un -ed -ing -s -es**
- I can begin to form lower case letters correctly, starting and finishing in the right place
- I can form capital letters
- I can form digits from 0-9
- I can write a short narrative by sequencing sentences
- I can re read what I have written to check it makes sense
- I can discuss what I have written with my teacher/peers

Writing

What does the expected level of writing look like in year one?

First Class one - Went on a big
White Coach I sat next to my friend
Emma. We had fun. Then we put
our... bags in the arcad. After that we
went to the toilets. Next we went
to a play park and in the play
park there where a big slide. Th we
met the farmer the farmer shoad us
sum anymuls There Wes Sheep and a
fol and a pig and a piglet I fed
the goats. Next I ate my lunch my
fal frut bit of my lunch was my rocky
biscuit.

Writing

What does working at greater depth of writing look like in year one?

Once upon a time,
there was a Rainbow Rabbit. She
had Colourful fur and a golden bow
on her head. One day, she was
singing a beautiful song that was
heard by a silver dragon. If she
didn't sing for him, he would lock
her up in his castle. When the dragon
found her singing for a big brown
bear, he said 'Roar! I'll lock you up
forever!' Whilst the evil, angry
dragon snored in his sleep, the big
brown bear stole the dragon's keys. He opened
the cage and set her free! ✓

Maths

Mathematics

- Count to and across 100, forwards & backwards from any number.
- Read and write numbers to 20 in numerals & words.
- Read and write numbers to 100 in numerals.
- Say 1 more/1 less to 100.
- Count in multiples of 2, 5 & 10.
- Use bonds and subtraction facts to 20.
- Add & subtract:
 - 1 digit & 2 digit numbers to 20, including zero.
- Solve one-step multiplication and division using objects, pictorial representation and arrays.
- Recognise half and quarter of object, shape or quantity.
- Sequence events in chronological order.
- Use language of day, week, month and year.
- Tell time to hour & half past.

Maths

Maths Lesson Structure

- Flash back
- New learning – practical/written
- Master it

Date: _____ Name: _____

Flash Back 5

- 1) Draw one counter for each bee.

- 2) Complete the number track.

- 3) Which glass is full?

- 4) What is the number?

Master it!

True or false?

One less than is True / false

One less than is True / false

One less than 9 is 8 True / false

Maths

Mastery (in maths)

Instead of moving quickly through lots of topics, children spend time really understanding each concept deeply before moving on. They learn it in different ways — using objects, pictures, and numbers — so they truly understand *why* something works, not just *how* to do it. This means fewer children are left behind, and those who grasp things quickly go deeper rather than rushing ahead.

Master it!	True or false?
One more than  is 	True / false
One more than  is 	True / false
One more than 7 is 8	True / false

Oracy

This is about teaching children to talk and explain their thinking out loud, using the correct mathematical language. Rather than just writing an answer, children are encouraged to say things like "I know this because..." or "I predict that... because...". Talking things through helps children understand ideas more deeply and builds their confidence.

A simple way to frame both together on a slide: *"We don't just want children to get the right answer — we want them to deeply understand it, and be able to explain it."*

Maths

KS1 Mental Maths

- To prepare children for Ks2 Times Tables Tests in Year 4
- First test – Tuesday 24th September
- Must get all the questions correct to move onto the next test
- A sticker will be in their reading record with their score each week
- Parents will be informed when their child needs to learn the new test

Name: _____

Today I scored / in test number _____.

Next week I will complete test _____.

Maths

KS1 Mental Maths

Test 1 1 more and 1 less

You have 3 minutes to complete the questions. When you get them all right **twice** then you can move onto the next test.

1 more than 1 is		1 more than 3 is	
1 more than 4 is		1 more than 7 is	
1 more than 3 is		1 more than 8 is	
1 more than 2 is		1 more than 5 is	
1 more than 6 is		1 more than 9 is	

Test 16 Quick Addition

You have 3 minutes to complete the questions. When you get them all right **twice** then you can move onto the next test.

$9 + 9 =$	$8 + 8 =$	$2 + 8 =$
$3 + 7 =$	$6 + 2 =$	$6 + 6 =$
$5 + 2 =$	$7 + 7 =$	$7 + 2 =$
$6 + 3 =$	$4 + 3 =$	$1 + 9 =$
$9 + 2 =$	$5 + 5 =$	$4 + 2 =$
$4 + 6 =$		$5 + 3 =$

Online Safety

Online Safety

How children are using the internet

Online Safety

Internet use by young children is increasing

6 is the new 10

Online Safety

There are lots of positives...

Online games can enhance teamwork and creativity

Add to the child's store of knowledge

Households with computers perform better academically

Improve both visual intelligence and hand-eye coordination

Research shows the outcomes for children are better if they benefit from connected technology

internet
matters.org

But technology can affect children's development...

- **Sleep cycles** are affected by blue light from screens
- Screen-based entertainment increases central nervous system arousal
- Millennials are **more forgetful** than OAP's
- One study found that the **more distracted** you are the less able you are to experience empathy

Block

Report

Keep the evidence

Know when to take it further

The don'ts

Retaliate

Stop them going online

Deal with it alone

Stop when the bullying stops

Online Safety

Tips and Advice

- Be engaged! – e.g. discuss their favourite emojis or YouTuber
- Be aware! – play their favourite games, visit their favourite websites and explore the online features of their devices
- Be there! – if something goes wrong
- Be thoughtful! – help them to understand the difference between fact and fiction online
