

Offenham CE First School

Transition into Year one and Year four policy

At Offenham CE First School all of our classes are mixed age. The current structure is as follows:

Avon – all of reception and some of year one

Malvern – some year one and all of the year two children

Cotswold – all year three and some year four children

Severn – some year four and all year five children

During the summer term the Headteacher and staff will look at the cohorts of children to best decide the class make-up for the following academic year.

Criteria for reaching a decision:

- age
- measurable progress
- social suitability
- class sizes

Letters will go out to all parents informing them of the school's decision at least two weeks prior to our first transition activity.

Policy reviewed Autumn 2017 by staff and governors at Offenham CE First School.
To be reviewed Autumn 2018.
