

LOCAL ACADEMY BOARD CODE OF CONDUCT

2022-2023

Our Vision

'To Love, To Learn, To Serve' sums up the DoWMAT's vision for those who come together to create the MAT, enabling all to flourish both as individuals and in community with each other; living life in all its fullness (John 10:10).

Our Values

To Love

The New Testament sums up the entire law as a call to “love your neighbour as yourself” (Galatians 5:14). The Bible teaches that we are only able to love because God first loved us (1 John 4:10). This love is expected to characterise the way in which the DoWMAT operates, makes decisions, builds relationships, and carries out its day-to-day business: each person putting the needs of others before their own, with a commitment to the flourishing of all. The exposition of love in 1 Corinthians 13 reminds us that love is patient, kind, forgiving, generous, humble, trusting, respectful, hopeful, resilient and enduring. Those who learn and work in the DoWMAT, and all who come into contact with it, can expect to experience that love in the way that they are treated.

To Learn

The DoWMAT is a Christian learning community that is committed to enabling all to live a life of freedom and transformation as a result of the hope and wisdom that learning brings. Learning is at the heart of the Church of England’s vision for and commitment to education. Growing in wisdom is celebrated in the Bible and all are exhorted to listen, to seek guidance, to acquire knowledge and to learn discretion (Proverbs 1: 1-6), largely through human relationships and interactions. Jesus’ teaching, as summed up in the Beatitudes (Matthew 5:3-10), describes human beings who are learning to live a life that is characterised by humility, compassion, mercy, righteousness and peace. The learning that takes place within the DoWMAT is expected to be recognisably rooted in these godly characteristics and focused upon enabling the holistic development of people who are made in the image of God.

To Serve

Service and servant leadership, was a striking feature of the way in which Jesus lived his life. The example he gave to his disciples in washing their feet (John 13:1-17) provides us with a role model for the way in which we should seek to live in community with others. Putting the needs of others before our own, supporting people in their growth and development as holistic human beings, enabling people’s gifts and talents to come to the fore as a result of our service to them are all defining characteristics of the way in which the DoWMAT operates. In serving others and meeting their needs through generosity of spirit, we manifest God’s grace and love for others (1 Peter 4:8-11).

These core values underpin all aspects of our Trust as we strive to make a positive difference to the lives of all DoWMAT pupils whilst they are at school and in later life. Through these values, we can be sure our community is one of hope; a place of transformation and trust, where all are treated with respect and dignity.

OUTSTANDING PROFESSIONALS | COLLABORATIVE PARTNERSHIPS | STRONG SYSTEMS | CONFIDENT LEARNERS

STATEMENT OF INTENT

The Diocese of Worcester Multi Academy Trust (DoWMAT) Board is, ultimately, the Trust's accountable body. However, the DoWMAT remains committed to the principle of local governance by local people; recognising and valuing the effort taken by members of the Local Academy Boards (LABs) who support our academies in three key areas:

1. **Guardian of the Vision and Values:** Our DoWMAT Local Academy Boards have an important role to play in upholding the Christian distinctiveness of their academy by ensuring our Christian vision and values underpins all aspects of academy life. In this way, we can be assured that our pupils grow and learn in schools where their individual qualities are nurtured to instil fulfilment, self-worth, the skills to contribute to society and confidence in the future.
2. **Supporting the drive for school improvement:** Our DoWMAT Local Academy Boards play a crucial role in enabling our academies to deliver on their moral purpose; delivering the very best in educational provision for their pupils. By creating safe and stimulating environments, full of engaging learning opportunities, our academy teams will empower all pupils to develop a love of learning and achieve of their best.
3. **A critical friend for financial decisions:** Our DoWMAT Local Academy Boards hold a wealth of knowledge on good financial practice and the importance of making sound, cost effective operational decisions. Our Headteachers value the input and oversight these members are able to offer as they navigate through a challenging financial landscape in the pursuit of high quality, sustainable provision.

This support from our Local Academy Boards makes all the difference to our academy leaders and greatly contributes to ensuring that all DoWMAT pupils attend a successful academy which is providing a good education whilst supporting their holistic well-being.

This Code of Conduct sets out the expectations on, and commitment required, from Local Academy Board members in order for the LAB to make a full contribution to the academy, the Multi Academy Trust and the community. This Code of Conduct will be reviewed by the DoWMAT Board of Directors on a regular basis and should be signed by the Local Academy Board on behalf of its' members at the first meeting of the Autumn term. It is a requirement that each Local Academy Board member fully complies with each of the expectations in this Code of Conduct.

Roles and Responsibilities

1. **The Local Academy Board is a corporate body, which means:**
 - No Local Academy Board member can act on her/his own without proper authority from the full LAB.
 - All Local Academy Board members carry equal responsibility for decisions made.
 - Although appointed through different routes (i.e. parents, staff, community or foundation), the over-riding concern of all Local Academy Board members has to be the welfare of the academy as a whole.

2. The Local Academy Board:

- Works with the Multi Academy Trust to set the visions, ethos and strategic direction of the academy.
- Challenges and supports the academy by monitoring, reviewing and evaluating progress against targets and ensuring good financial management of academy funds.
- Ensures accountability of the Headteacher, and/or the Executive Headteacher if appointed, and staff to the Local Academy Board members and the Multi Academy Trust. In turn, the Local Academy Board is accountable to the staff, parents, local community and the Multi Academy Trust by ensuring they are involved, consulted and informed as appropriate.
- Is responsible for determining, monitoring and keeping under review their own academy policies, plans and procedures within which the academy operates.
- All members of the Local Academy Board will be required to make themselves familiar with academy policies and procedures and with policies adopted by the Trust Board on behalf of all the DoWMAT academies, including the following:
 - Child Protection and Safeguarding Policy
 - Health and Safety Policy
 - Whistleblowing Policy
 - Data Protection Policies
 - Disciplinary Procedures
 - Complaints Policy
 - Financial Handbook

Further information on the role of Local Academy Boards can be found on page 22 of *Academy Trust Governance – Structures and Role Descriptors*, which states the following;

The Academy Trustees will decide what, if any, governance functions they will delegate to LABs. They may set up LABs as wholly advisory bodies. Academy Trustees may choose to vary the extent of delegation over time, for example to reflect a change in capacity at local level. LABs are a full and formal part of the trust governance structure and can:

- *support the effective operation of the Trust and its policies*
- *provide support and challenge to the local (school level) executive (although trusts must be careful to make sure accountability is clear and not muddled through local reporting to the LAB and CEO)*
- *provide a vehicle for trust board engagement with the school, its parents and local community, to help ensure that the Academy Trustees stay connected. Trusts may choose to bring in people to sit on LABs who provide links to the local community, in addition to parents.*
- *bring issues and risks to the attention of the Trust board. It is important that the board listens and responds to concerns the LABs may raise.*

- *provide constructive feedback to the board where a policy may not be effective in the local context, and suggest alternative approaches*
- *help ensure the trust works as one entity, in the interests of all its schools equally*

In addition, in academies with a religious character, the members of the LAB will also be required to preserve and develop religious character of their academy

The Seven Principles of Public Life

(Originally published by the Nolan Committee: The Committee on Standards in Public Life, to consider standards of conduct in various areas of public life)

Selflessness: Holders of public office should act solely in terms of the public interest. They should not do so in order to gain financial or other material benefits for themselves, their family, or their friends.

Integrity: Holders of public office should not place themselves under any financial or other obligation to outside individuals or organisations that might seek to influence them in the performance of their official duties.

Objectivity: In carrying out public business, including making public appointments, awarding contracts, or recommending individuals for rewards and benefits, holders of public office should make choices on merit.

Accountability: Holders of public office are accountable for their decisions and actions to the public and must submit themselves to whatever scrutiny is appropriate to their office.

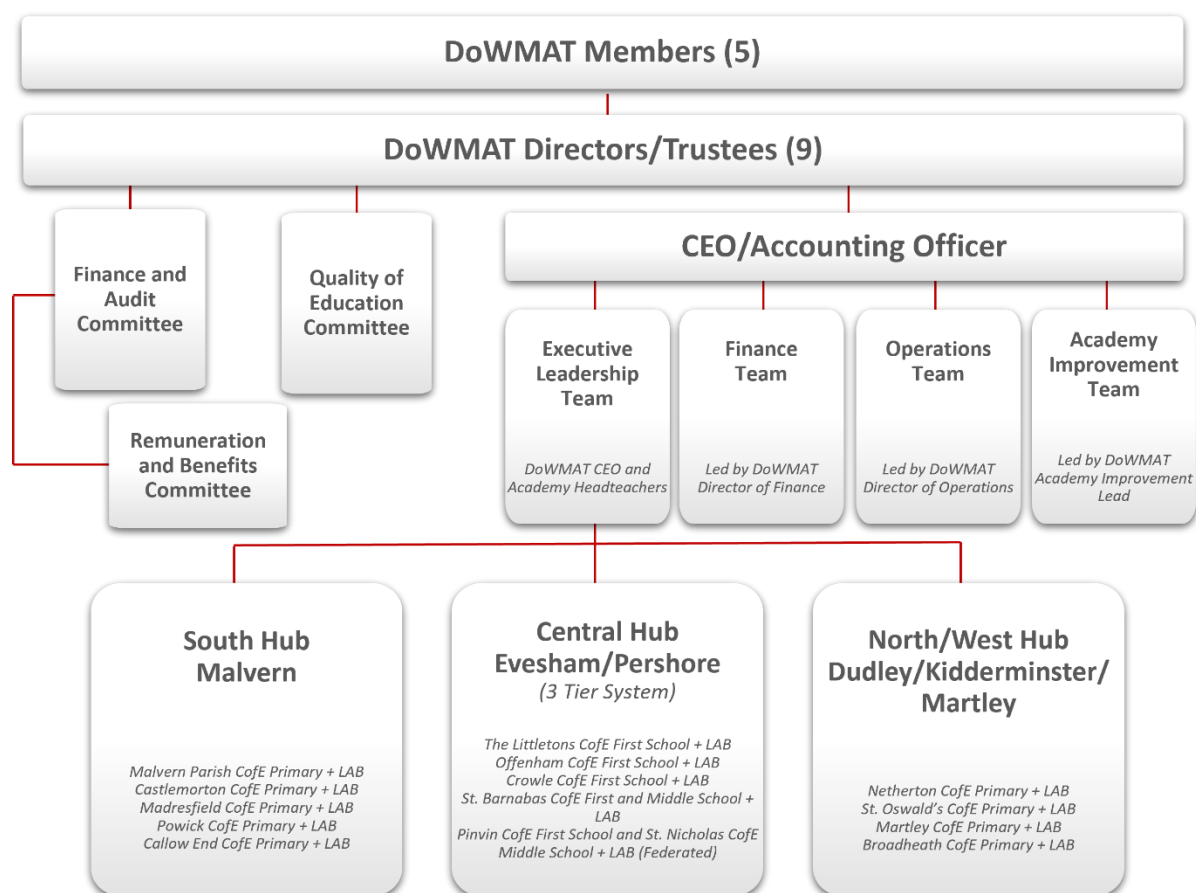

Openness: Holders of public office should be as open as possible about all the decisions and actions that they take. They should give reasons for their decisions and restrict information only when the wider public interest clearly demands.

Honesty: Holders of public office have a duty to declare any private interests relating to their public duties and to take steps to resolve any conflicts arising in a way that protects the public interest.

Leadership: Holders of public office should promote and support these principles by leadership and example.
