

Level 2 and 3 Spellings

We will be starting spelling tests on Friday 8th November. Please practise spelling set 1 ready for the test. Your child will be expected to listen to the word and write it down.

Your child will complete the spelling test in their spelling book. This book is for **testing only**, please do not use it to practise in. We will send the book home every Friday so you can see what score your child got. Please send it back to school on the following Monday so we have it ready for the test on Friday.

If your child got all of them correct, please practise the next set. If they **did not** get **all of them** correct, please practise the same set again.

Your child may be on the same set for more than one week. We want to ensure the spellings are embedded before they move on.

Thank you,

Miss Gillmore and Mrs Roden
