This Week in Avon Class ...

Year 1 Science - Exploring Plants!

This term, Year 1 have started their new science topic all about plants. The children were very excited to plant their own nasturtium seeds and are now looking after them carefully, eager to see them grow! As part of their learning, they'll also be exploring different types of trees and garden plants, going on nature walks, and spotting seasonal changes. It's a fun, hands-on topic that helps the children learn how plants grow, what they need to stay healthy, and how important they are in our world.

We can't wait to see their nasturtiums bloom!

Isla and Olly's weekly top three well-being tips:

Here are the tips for this week in MEANINGFUL MAY:

- Look for people doing good and reasons to be cheerful
- Listen to a favourite piece of music and remember what it means to you
- Send a handwritten note to someone you care about

Thought of the Week

This week, in our assemblies, we've been thinking about ways we can build one another up. We've enjoyed singing a song by Fischy music called – 'Build up one another'.
