ECO Challenge

Amelie and Arthur have encouraged us, as part of our ECO challenge, to find out more information about an animal this week – that could be a domestic or wild animal and how we can best look after them. As global neighbours we must think about how our actions affect animals both near and far.

Monday - Some Y5 to Cedar Lodge /
Guitar Club / Multiskills

Tuesday - Rockstars Choir / Mindful Colouring

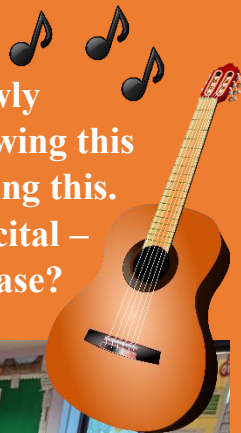

Wednesday - Music Ensemble / Art Club

Thursday - Drama Club / Story Explorers

Guitar Club

It was so exciting to see our newly established guitar club in full swing this week. Thanks to Mr B for leading this. We look forward to a guitar recital – maybe at the next music showcase?

This week in Malvern Class...

This week, Malvern Class went on a mini-beast hunt as part of our science unit on habitats. We had lots of fun exploring the school grounds, looking under rocks and digging through piles of leaves to see what we could find.

The children were really excited to spot worms, woodlice, spiders and ants and loved talking about where they were found and why those places make suitable habitats for them. There was plenty of curiosity, teamwork and great discussion, and the children really enjoyed getting outside and learning through hands-on experience.

Music of the Week

This week, we continued listening to *Tico Tico*.

Thought of the Week

We are almost at the end of January and the signs of spring can already be seen. Here's a lovely quote to see the month of February in.

"February is a bridge between winter's quiet and spring's awakening".
