This week in Avon Class ... This week, we were delighted to welcome Mrs Painter into our Science lesson to teach us all about keeping our teeth healthy. She talked to us about the importance of looking after our teeth, visiting the dentist regularly, and the correct way to brush our teeth.

We thoroughly enjoyed taking part in role-play activities, where we had the opportunity to be both the dentist and the patient. We also loved exploring the model teeth and practising what we had learned. These hands-on experiences helped to deepen our understanding and bring our learning to life.

A huge thank you to Mrs Painter for such a wonderful, engaging session and for giving up her time to share her expertise with us. We all learned so much and had great fun!

CHURCH SERVICE and LEAVERS AFTERNOON

Non World Cup Football News...

Last month, Badsey Rangers U10's faced Shipston in the Evesham Ambassador Cup final. Mack, Billy, Luke and Myles all worked so hard from start to finish. Their efforts and determination were amazing. Badsey Rangers won 3-1 with Billy and Mack scoring one goal each. Their parents and coaches are all so proud of them!

Thought of the Week

This week, in our collective worship we have been thinking about saints. St Margaret was someone who knew her heart, listened to her conscience and always tried to do the right thing. She was steadfast and firm. Here's a quote from Abraham Lincoln that sums up our learning this week.
It's from Abraham Lincoln.
