

Offenham C.E First School Religious Education

Curriculum Statement of INTENT

At Offenham CE First School, Religious Education is central to our identity as a Church of England school and is deeply rooted in our vision of:

“Love, Transformation, Growth”

and our motto:

“Growing deep roots, producing good fruit.”

We aim for RE to contribute significantly to the development of the whole child—spiritually, morally, socially, culturally and academically—enabling every pupil to flourish within a loving and inclusive Christian community. Guided by the words of John 15:16, we seek to nurture children so that they may “bear fruit that will last,” living out values that positively influence their lives and the lives of others.

Through high-quality Religious Education, we intend to:

- Develop knowledge and understanding of Christianity as a living faith and explore a range of other principal religions and worldviews, fostering respect and curiosity.
- Enable pupils to grow spiritually and reflectively, encouraging them to ask deep questions about meaning, purpose, belief and identity.
- Promote our core values of Friendship, Perseverance, Respect, Responsibility and Truth, empowering children to build strong “roots” that support resilience and personal growth.
- Support transformation and growth, helping pupils recognise how beliefs and values shape behaviour, communities and the wider world.
- Encourage pupils to live well together, cultivating the “fruits” of love, joy, peace, kindness and self-control in their daily interactions.

RE at Offenham CE First School provides a safe and inclusive space where each child is valued as unique and known by God, and where all are encouraged to reflect, question, discuss and deepen their understanding. Through this, pupils are equipped to contribute positively to society, serve others and pursue excellence in all aspects of life

Love, Transformation, Growth
